

A 12 Month Program

Begins May 16th 2024

How It Works: On the third Thursday of each month a new pattern will be ready for pick up (or shipping) for all program members! Each month's pattern will be themed for a future month (or holiday) giving you a full month to have it made for use!

Show and Tell: Patterns can be picked up at any time, BUT if you pick them up during the first three days of availability AND bring your finished projects to the shop (from this program) you get 20% off any additional purchases you make that day! We'll take pictures of your project, and share them on our social media (if we remember- no guarantees).

The Cost:
